SIR:

This amendment was originally submitted on July 12, 2004. A Notice of Non-Compliant Amendment was issued on September 29, 2004 indicating an informality with the listing of the claims. This Amendment is re-submitted in response to the Notice of Non-Compliant Amendment and is nearly identical in all respects except that the listing of claims now includes acknowledgement that claims 1-13 are cancelled and claim 20 shows the deletion of characters with the required strikethrough, thus addressing the grounds for rejecting the originally filed Amendment. As such, please enter these amendment and remarks in response to the Office Action dated April 5, 2004.

Amendments to the Specification begin on page 2 of this paper.

Amendments to the Claims are reflected in the listing of claims which begins on page 3 of this paper.

Remarks begin on page 10 of this paper.
